## **AGM and Quarterly Funds Under Management Statement**

Harvey McGrath, Chairman of Man Group plc, will make the following comments at today's Annual General Meeting.

### **AGM Statement**

"Demand for our fund products has remained strong, both from private investors and institutions. Sales in the three months to 30 June 2007 were \$3.8 billion. Group funds under management have increased from \$61.7 billion at 31 March 2007 to \$67 billion at 30 June 2007. For the three months ended 30 June 2007, overall product performance has continued to be positive, with Man Global Strategies\* up 8%, AHL\* up 15%, Bayswater\* up 4%, RMF\* up 6% and Glenwood\* up 4%. The Board remains very confident of the Group's prospects for the year."

### **First Quarter FUM Statement**

Sales for the three months to 30 June 2007 were \$3.8 billion. The three months sales comprised guaranteed products which accounted for \$1.0 billion; open-ended private investor sales for \$0.5 billion; and institutional sales for \$2.3 billion. Reflecting the level of sales, funds under management have risen and were \$67 billion at 30 June 2007, up from \$61.7 billion at 31 March 2007. The split of funds under management is private investor \$40 billion (31 March 2007: \$36.6 billion) and institutional \$27 billion (31 March 2007: \$25.1 billion).

Redemptions for the three months to 30 June 2007 totalled \$2.3 billion, of which private investor were \$1.0 billion. Positive investment movement was around \$4 billion with maturities and a small negative FX totalling \$0.2 billion.

\*As represented by the performance of Man Multi-Strategy Guaranteed Ltd, Athena Guaranteed Futures Limited, Man Bayswater Macro Class O, RMF Absolute Return Strategies I and Man-Glenwood Multi-Strategy Fund Limited in the three months to 30 June 2007. All performance figures are estimates except for Athena Guaranteed Futures Limited.

It should be noted that the majority of the products that include AHL are priced on a monthly basis and it is this pricing, therefore, that forms the basis of the majority of performance fees earned. However, the products that are priced on a weekly basis give a more up-to-date indication of the progress of AHL. It should also be noted that whilst the products that will be reported have been chosen to be indicative of the typical AHL product, the performance of the individual products do vary. The product that will be reported weekly will be Man AHL Diversified Futures Ltd. Its price is calculated based on the close of business each Monday and its price will be published after close of business London time on Tuesday of each week. The product that will be published on a monthly basis will be Athena Guaranteed Futures Limited, which is priced based on the close of business on the last business day of each month. Its price will be released by 7am on the third business day of each month. Man will release the latest twelve month performance and the performance since inception for its representative AHL funds for comparative purposes, calculated using the last weekly valuation for each month. These will be updated each time the AHL figures are published.

The prices of this and other AHL products are also reported in the Financial Times and the International Herald Tribune, in addition to data services such as Reuters, Bloomberg, Micropal and Telekurs, as well as on the web site of Man Investments at [www.maninvestments.com](http://www.maninvestments.com).
